SISTEMI DI CHIUSURA

La leggerezza di preziosi cristalli scorre sul muro o all'interno di esso, nelle versioni Battente (1) e Cristal Air 2 (3).

pieghevoli In Modula (4) due ante asimmetriche si ripiegano sullo stesso lato; la perfezione raggiunge la sua massima forma in InDue (5), dove l'anta si piega esattamente a metà. Entrambe nascono per creare spazio.

scorrevoli Scorigli (2), Magic (6), Prima (7). Interno muro, invisibile, esterno muro: le soluzioni scorrevoli FerreroLegno sono tante, applicabili a diversi modelli di porte ed efficaci per chi vuole recuperare spazio. Il blyndo (8) è il rivestimento che vi consente di personalizzare il vostro portoncino blindato coordinandolo al design delle porte prescelte. Essenza e laccatura disponibili in base al modello di porta preferito.

fold Fold (9 - 10), l'elegante soluzione salvaspazio, ideata per gestire gli spazi in modo funzionale mantenendo una marcata componente estetica.

The lightness of the precious glass panes slide along the wall or inside it in the Battente (1) and Cristal Air 2 (3) versions.

folding In Modula (4) two asymmetric leaves fold onto the same side, perfection reaches its maximum in InDue (5), where the leaf folds exactly in half. Both are developed to create space.

sliding Scorigli (2), Magic (6), Prima (7). Inside the wall, invisible, outside the wall, there are many FerreroLegno sliding solutions, which can be applied to several door models and which are effective for those wanting to recover space.

Blyndo (8) is cladding to customise reinforced doors, coordinated with the design of the chosen door. Wood and lacquer available, depending on the model. **fold** Fold (9 - 10), the elegant space-saving solution, designed to manage space in a functional way while maintaining a strong aesthetic component.

La légèreté des verres précieux coulisse sur le mur ou à l'intérieur, dans les versions Battente (1) et Cristal Air 2 (3).

pliant Dans Modula (4), deux vantaux asymétriques se replient du même côté. La perfection atteint sa forme maximale dans InDue (5), où le vantail se plie parfaitement en deux. Les deux versions sont nées pour créer de l'espace.

couissant Scorigli (2), Magic (6), Prima (7). À l'intérieur du mur, invisible, à l'extérieur du mur : les solutions coulissantes FerreroLegno sont nombreuses et applicables à différents modèles de portes. Elles sont efficaces lorsqu'il s'agit de récupérer de l'espace.

Blyndo (8) est le revêtement qui vous permet de personnaliser votre porte de sécurité afin de l'assortir au design des portes que vous avez choisies. Essence et laque disponibles en fonction du modèle de porte choisi. **fold** Fold (9 - 10), la solution élégante pour économiser l'espace, conçue pour gérer l'espace de manière fonctionnelle tout en conservant une forte composante esthétique.

La ligereza de los preciosos cristales se desliza por la pared o por su interior, en las versiones Battente (1) y Cristal Air 2 (3).

plegable En el sistema Modula (4), dos hojas asimétricas se pliegan en el mismo lado; la perfección alcanza su máxima forma en el sistema InDue (5), en el que la puerta se pliega exactamente por la mitad. Ambas nacen para crear espacio.

correderas Scorigli (2), Magic (6) y Prima (7). Dentro de la pared, oculto y fuera de la pared: FerreroLegno ofrece muchas soluciones para puertas correderas, aplicables a diferentes modelos de puertas, muy eficaces para ganar espacio.

Blyndo (8) es el panel de revestimiento que permite personalizar vuestras puertas de seguridad para que se adapte al diseño de las puertas elegidas. Barnizado y lacado disponibles según el modelo de puerta preferido. **fold** Fold (9 - 10), la solución elegante para ahorrar espacio, diseñada para gestionar el espacio de forma funcional al tiempo que mantiene un fuerte componente estético.

Die Leichtigkeit der edlen Gläser gleitet an oder in der Wand, in den Ausführungen Battente (1) und Cristal Air 2 (3).

Falttüren Bei Modula (4) werden zwei asymmetrische Flügel nach einer Seite geklappt; die Perfection erreicht ihre Höchstform in InDue (5), wo der Flügel genau in der Mitte gefaltet wird. Beide sind raumsparende Lösungen.

Schiebtüren Scorigli (2), Magic (6), Prima (7). Innenwand, unsichtbar, Außenwand: die Schiebetürlösungen von FerreroLegno sind vielfältig und eignen sich als ideale Raumsparer für verschiedene Türmodelle.

Blyndo (8) ist die Verkleidung, mit der Sie Ihre Sicherheitstür individuell an das Design der von Ihnen gewählten Türen anpassen können. Holz- und Lackierung sind je nach gewünschtem Türmodell erhältlich. **fold** Fold (9 - 10), die elegante, platzsparende Lösung, die den Raum auf funktionelle Art und Weise unter Beibehaltung einer starken ästhetischen Komponente.

В вариантах Battente (1) и Cristal Air 2 (3) полотна из ценного стекла с легкостью передвигаются вдоль стены или внутри нее.

складные двери-книжка В системе Modula (4) оба асимметричных полотна складываются в одну сторону, совершенство максимально достигает своей формы в системе InDue (5), в которой дверь складывается точно пополам. Обе системы разработаны для экономии пространства.

раздвижные Scorigli (2), Magic (6), Prima (7). Движущиеся внутри стены, снаружи стены, невидимые; решения для систем раздвижных дверей компании FerreroLegno многочисленны, могут применяться к различным моделям дверей и позволяют эффективно экономить пространство.

Панель бlyndo (8) - это декоративная накладка на входную дверь, соответствующая дизайну выбранных межкомнатных дверей. Доступна отделка натуральный шпон и лак в зависимости от понравившейся модели. **fold** Fold (9 - 10), элегантное решение для экономии места, предназначенное для функционального использования пространства при сохранении эстетической составляющей.
